

RDAQ Pre-conference workshop: Neurotrauma Workshop

Thursday, 20 June 2024

Brisbane Convention & Exhibition Centre

Overview

The aim of this workshop is to introduce basic concepts and skills for emergency neurotrauma. This half day workshop starts with didactic lectures around aspects of neurotrauma including a patient perspective. This would be followed by a hands-on workshop with 3D printed models and a number of surgical tools.

Facilitated by: Dr Hamish Alexander, Norman Ma, Patrick Pearce, Mathew Stovell

This workshop has been accredited by:

RACGP: 2.5 Educational Activities + 1 Reviewing Performance

ACRRM: 2.5 Educational Activities + 1 Reviewing Performance
