

RDAQ 35 Years

RDAQ2024 CONFERENCE
RURAL MEDICINE
The Art & The Science

MEANJIN | BRISBANE • 20-22 JUNE 2024

Registration Brochure

From the President

Every year we look forward to coming together to connect, inspire and learn with and from each other, but RDAQ2024 takes on a greater significance – this year we celebrate 35 years of the Rural Doctors Association of Queensland (RDAQ).

RDAQ was formed by a small and committed group of doctors in 1989, with the purpose of supporting rural doctors, their families, and the communities in which they live and work.

Now, 35 years on RDAQ is Queensland's leading advocacy voice for rural and remote doctors and communities. It provides rural doctors with a genuine sense of belonging, networks, support, advocacy, education and, of course, our legendary annual conference.

I first became involved with RDAQ as a student, and it has been a constant and invaluable presence throughout my career. We are a respected and fearless voice for rural and remote doctors. We put our patients and communities at the centre of what we do.

Our 35th anniversary conference will celebrate our past and our future, by delivering a uniquely uplifting experience at Queensland's largest gathering of rural doctors and students, along with our families and supporting teams and stakeholders.

Our 2024 convenor, Dr Deb Smith and the conference committee have created an exciting program with a mix of topical clinical updates, hard-hitting policy sessions and thought-provoking keynotes and plenary sessions. Of course, there will be plenty of time to socialise with old friends and new including at our unmissable 35th Anniversary Gala Dinner.

I look forward to joining you in **Meanjin | Brisbane for RDAQ2024 RURAL MEDICINE ~ The Art & The Science!**

Dr Alex Dunn | President • 2023-2024

RDAQ2024 CONFERENCE RURAL MEDICINE *The Art & The Science*

RDAQ2024 Conference will offer an inclusive program that will inspire our delegates to continue to improve the health of their communities and wellbeing for themselves and their colleagues.

Our conference will be held in Meanjin | Brisbane at the Brisbane Convention & Exhibition Centre from 20-22 June with one day of pre-conference workshops plus affiliated events.

RDAQ's premier annual event is a unique opportunity to achieve professional development, share experiences, engage in topical updates and connect with colleagues from afar!

We look forward to seeing you in June 2024!

About RDAQ

Rural Doctors Association of Queensland (RDAQ) is Queensland's leading voice for rural doctors and the communities they serve.

RDAQ is a not-for-profit organisation committed to:

- Improving access to health care for rural and remote Queensland communities.
- Promoting rural practice to medical students and practitioners.
- Delivering skills and education to support rural practice.
- Fostering networks and connection between rural doctors.
- Advocating for rural doctors and support their well-being

For more information on RDAQ visit rdaq.com.au

Join RDAQ and save!

If you join RDAQ before or as part of your registration, you are eligible to register for the conference at member-discounted rates. Extra savings are available for GP registrars, interns and associate members. Community members and other health professionals can join RDAQ as associate members.

For more information visit rdaq.com.au

Subsidise-a-student

We invite medical delegates to support our subsidise-a-student program and be recognised as a #DestinationRural Ambassador.

RDAQ is committed to growing the rural medical workforce of the future. RDAQ2024 is a unique opportunity for rural doctors to encourage medical students to establish networks and connections with rural mentors. Your subsidy directly reduces the cost for students to attend RDAQ2024 Conference.

RDAQ manages this program in collaboration with the four student rural health clubs in Queensland.

Each medical delegate who nominates to subsidise-a-student is invited to attend the student networking afternoon tea as a #DestinationRural Ambassador. Share your experience and passion for rural medicine.

"I really enjoyed watching the next generation of doctors take over the helm and their enthusiasm and ideas. The students have so much energy!"

CONFERENCE DELEGATE

Would you like to subsidise-a-student?

Please complete the section when registering.
Your assistance in helping medical students of Queensland is appreciated.

QRMFN Family and Spouse Program

Funded by Health Workforce Queensland

This year's QRMFN Family and Spouse Program provides a range of activities for rural spouses, partners and children, with many opportunities to catch up with old friends and new. QRMFN has planned a number of exciting activities to suit everyone.

Spouse networking registration includes:

- Craft and activity workshops for adults and children
- Complimentary attendance at the conference official opening and keynote address
- Welcome reception supper and drinks package
- Friday night social (including dinner, cash bar)
- Conference gala dinner and awards ticket (including pre-dinner drinks, dinner and drinks package)
- All spouse, partner and children's activities outlined in the QRMFN program. These activities are for children aged under 16.

Note: the spouse/family program registration ticket does not include attendance at all RDAQ2024 sessions. Spouses who are also medical practitioners wishing to attend all conference sessions are required to pay the full RDAQ delegate registration fee. Associate membership is an option to spouses who are not medical practitioners offering significant discounts.

Registration closes 13 May 2024 for children registrations.

To view the QRMFN terms and conditions please go [Family Program website](#).

QRMFN is calling for nominations for the 2024 Backbone of the Bush Award.

This award acknowledges the spouses and partners of rural doctors who achieve outstanding accomplishments in their own right, whilst simultaneously supporting their doctor partner and rural communities they've come to call home.

For more information and to nominate, please **visit our website**.
